

**G**IEC, formed in 1992, is a not-for-profit organization of Georgia industries whose member companies are subject to environmental regulations. GIEC's mission is to serve as a technically-based advocate for Georgia industry by promoting environmental regulations and policies founded on protection of human health and the environment; sound science; and cost/benefit principles.

**I**ndustry's voice on environmental issues is strong and unified when it comes from GIEC. Many of our member companies represent the largest employers in the State, collectively representing an employee base that exceeds 50,000.

**E**merging environmental policies and regulatory issues are monitored by GIEC and reported to its members.

**C**omments are prepared and submitted to the regulatory agency on virtually every environmental policy and regulation that touches the interests and concerns of our membership.

## Directions/Parking

Southern Company Gas (formerly AGL Resources)  
2<sup>nd</sup> Floor Auditorium  
Ten Peachtree Place  
Atlanta, GA 30309

Because on-site and other public parking options are limited, the use of **MARTA is strongly encouraged**. Southern Company Gas is conveniently located immediately adjacent to the Midtown MARTA public transit station.

From South of Atlanta – Traveling N on I-75/I-85, take Exit 250. At the 1st light, turn R onto 10th St and turn R onto Spring St (one-way), staying in far L lane. Turn L onto Peachtree Place (at Publix).

From North of Atlanta – Traveling S on I-75 or I-85, take the 10th/14th/17th St exit. Stay on ramp, past the 17th St exit. At the 1st light, turn L onto 14th St, driving over the interstate. At the next light, turn R onto Spring St (one-way). Proceed south. Immediately past 10th St, turn L onto Peachtree Place (at Publix). Proceed across W. Peachtree St.

Use surrounding surface pay lots and on-street parking.
